ORLANDO FSDO-15 AVIATION SAFETY PROGRAM NEWSLETTER

The Orlando FSDO-15 Aviation Safety Program is still expanding and involved in many innovative programs.

Obie Young , SPM

Status

The Aviation Safety Program in the Orlando District was busy closing out details for 1996 and preparing for 1997. **John Wagner**, chairman of the WX Film Festival, conducted a unique meeting with good attendance. The Production Crew will have several opportunities to assist the Safety Program in January. Saturday, January 11, the Sun 'n Fun Volunteer meeting will begin at 1000. Later that day, at 1400 the second Toastmaster Television Show will take place. The next weekend **Rick Crose**

will host the Annual Ultralight meeting.

We are still settling into our new office facilities, however, some additional changes may be forth coming.

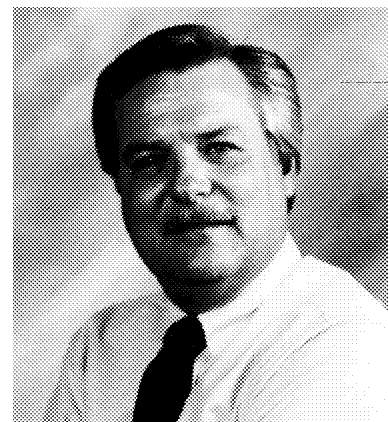

This newsletter contains: a new Special Project Quarterly Schedule, a letter from the Florida Association of Flight Instructors, and "The Platform" from **Rock Rockcastle**, your speakers bureau chairman. All this and more...details in this month's **Aviation Safety** Newsletter!

Special Automation Meeting

On Thursday, December 19, 1997 **Bill Hoenstine** and FSDO-15 hosted a special regional automation meeting. **Jim Toombs**, RSPM, and **Buz Massingale**, Mississippi SPM, **Bill Hoenstine**, Orlando ASPM, along with Orlando automation committee members; **Dave Roberts**, **Ken St. John**, and **Andrew Anderson** were slated to review the BBS and Internet Web Site support for the Southern Region Safety Program. The meeting went great but Buz got "weathered out"! Look for details in later issues.

ASC Training

The ASC Orientation meeting took place on Tuesday, December 17 at the new FSDO office. Twenty-three ASC applicants, ten ASC, and FAA personnel from Flight Standards, FAA Security, and FAA Legal attended the meeting. **Gabe Bruno**, FSDO-15 Manager, welcomed the group to the facility and **Trygve Reeves**, Security Manager, and **Vince Bennett**, FAA attorney, delivered brief presentations on their respective organizations. Several of the applicants remained after the meeting for interviews. The designation process is continuing for class #171296, and we should have a new ASC group very soon.

FAFI:

AVIATION SAFETY

The President of the Florida Association of Flight Instructors, Steve Moore, submitted the enclosed "Letter to Flight Instructors". The letter contains a general overview of some of the changes to the current Commercial Practical Test Standard (PTS) that Steve has learned from Mr. Robert Kruse with FAA Oklahoma City.

Heads Up!

Ben Coleman ASPM A/W has begun to work on a video project about remedial training with the emphasis on the maintenance.

Pace Program

The next **PACE** program will be held at the **FAA Safety Center** in Lakeland, Florida on **Saturday, February 01, 1997**. Please call **Richard Hirsch**, local area chairman, for reservations or if you wish to assist. **Bob Stroup**, Pace Chairman reminded us of the FY 97 PACE Program schedule for the FSDO-15 District.

FY 97 PACE Schedule:

FEB	LAL	02-01-97
MAY	VNC	03-17-97
AUG	SFB	08-23-97

If you would like to assist with the PACE Program in FY 97, call Bob at 407-834-6638.

Improvements

During the month of December, we continued our improvements to the Production Studios at the FAA Safety Center at the Sun 'n Fun Complex with support from the FAA Southern Region, Sun 'n Fun, and the Aviation Safety Counselors!

Thanks to **Bill Hoenstine** we now have a "Super Fast" computer on site for PowerPoint presentations. **Obie I & Obie II** checked out the 19" Sony and pressed it into service. They also worked on additional audio circuits and microphones. Obie also met with service representatives for total or partial system maintenance.

Diego Alfonso, Steve Brady, Ben Coleman, Jim Chumley, Kathy Chumley, Luke Garner, Richard Hirsch, Bill Hoenstine, Dennis Mack, Kathy Mawer, John Murphy, Larry Oliver, Vern Phagan, Rock Rockcastle, Ellen Spillane, Bill Truebe, Obie Young and Obie Young II all helped in December with installation support or served on the Production Crew.

Need to do list:

* Install a second video bang switcher.

* Install the two electric screens when they arrive.

* Finish installing the stereo PA Amp and "shake down" the audio system.

* Store equipment and begin to excess items that are no longer of use.

* Make ramp from new steps at "Green Room" to the stage door, then resod that area.

* Install window tinting in the Green Room.

* Clean up and finish out interior of spot light stands.

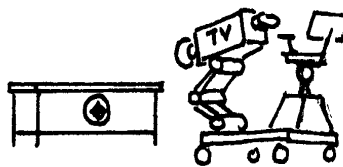

Needed:

* Two window air conditioners.

* Full length dressing mirror.

We are "On the Air"

This year's Quarterly Schedule includes 9 events that will be simulcast on WPEP 788, Sun 'n Fun Radio/ 1610 AM. Several of our FAA seminars will be simulcast at the annual Sun 'n Fun Fly-In convention in April. **Dave Shallbetter**, station manager, advises that he needs volunteers to work "in front" and "behind" the mike at the radio station. The Ultralight Seminar is the next event to be "On the Air"!

**Production Crew
Volunteers are needed for
the following:**

Seminar	Date	Set-up or /pre-brief
